### Participants will Receive:

- Growing Up WILD Activity Guide and PLT Environmental Experience for Early Childhood Activity Guide
- Additional Resources to help engages students in nature
- Knowledge and skills
- Door Prizes

Early childhood education activity guides that build on children's sense of wonder about nature and invites them to explore the world around them. Through a wide range of activities and experiences, it provides a foundation for developing positive impressions about nature while also building lifelong social and cognitive skills.

### The activity guides:

- Are correlated to the National Association for the Education of Young Children Standards (NAEYC) and Head Start Domains.
- Are written for educators of children ages 3 - 7.
- Involve social, emotional, physical, language, and cognitive domains to help foster learning and development in all areas.
- Includes crafts, art projects, music, conservation activities, reading and math connections.
